ABOUT THIS TEAM:

This team is training together to perform
a minimum of 4 times this season!

1. Local Retirement home
Performance
2. Orillia Christmas parade
3. Winter Recital (Georgian Theatre
in Barrie)
4. End of year Recital (Orillia Opera
House)

My goal for this team is to give the
dancers opportunities to perform, grow,
and build meaningful connections with
one another. I want them to develop
their acro skills while making new
friends and creating memories they'll
cherish for years to come. This is about
so much more than just a weekly class,
it's the experience of being part of a
team. ❤️

ABOUT YOUR COACH

Hi! My name is Alexa!

From a young age, I was immersed in dance, gymnastics, and circus arts. What began as a childhood passion grew into professional performance opportunities at weddings and corporate events. While I loved being on stage, I eventually discovered that my true passion lies in coaching. For over a decade, I've dedicated my career to coaching. I strive to create a positive, supportive environment where children can build confidence, develop skills, and feel proud of their progress. My goal is to inspire each student not only to succeed in the moment but also to carry those lessons forward and create their own meaningful Legacy.

Certifications:

- Module one and two from Acrobatic Arts Teacher Certification.
- Aerials and backhand spring module from Acrobatic arts.
- Group fitness and personal trainer certification from CanFit Pro.
- First aid and CPR Level C.
- Level one and two NCCP Artistic gymnastics coaching certification.
- Level one and two NCCP Trampoline and tumbling coaching certification.
- Completed the Auto injector course for EpiPens through NCCP.
- Coaching Athletes with a Disability through NCCP.
- Coaching Athletes with Down Syndrome through NCCP.
- Making Headway in sport (Concussion course) through NCCP.

PAYMENTS

Payments are due on the 1st of each month for a duration of 10 months.

(September 2026 - June 2027)

Legacy will update your parent portal with the payment amount a few days before the due date. This allows parents the opportunity to make the payment manually.

If the payment is not made by the first the Legacy team will go in and charge your card on file.

Please note:

If your account is more than a month over due your child will not be able to take part in class.

We appreciate it when families log in and make the payment themselves. This helps eliminate any confusion on what card on file to use, delays when cards bounce back due to expired cards, cancelled cards and so on.

Tip:

You can find the parent portal log in on our website.

Thank you for your help in making payments run smoothly!

TRAINING ATTIRE

In class we require a pink or black dance leotard with black athletic shorts over top. The tight fit of a Leotard sets the athlete up for success when going upside down. It's also the easiest outfit for a coach to spot an athlete in when learning new skills.

The shorts over top ensure that the athlete is covered and comfortable. We have chosen shorts over skirts since shorts work best for acro.

Please have your hair up for class. If you have very long hair please put it in a bun.

Please keep in mind Legacy's rule that no training attire should show the mid section.

PERFORMANCE COSTUME

Costumes will be worn for all performances. You will have the same costume all season with your team. The costume cost is \$150+hst and is split up by 3 over September, October and November. If you join later in the season you can still get a costume! It would just have to be paid all at once rather than split up. Please note that Legacy's rule on costumes is that no costume shows the midsection of the performer. All costumes cover the performers in an age appropriate way. Please also purchase skin toned tights that cut off at the ankle. These can be purchased in town at "Ballare dance boutique". Thank you for supporting our stance on age appropriate costumes!

PERFORMANCE HAIR

Performance Bun Tips:

- Having wet hair before beginning to style is very helpful.
- Please do a middle part.
- Buying a bun helper from amazon can be helpful.
- The middle of the bun should be in line with the ears.
- Use lots of hair spray / gel / to ensure no hairs are out of place. If you have bangs please secure these back!
- Complete the bun with a hair net! This keeps everything in place. It is very important that the hair net matches the hair colour.

PERFORMANCE MAKE UP

Stage lights can be very bright
and so we want the dancers
features to stand out!

If possible please use red
lipstick, mascara and natural
eye shadow. The goal is to
have a more natural look while
still ensuring our smile shines
on stage!
